## DEDICATIONS OF THANKSGIVINGS

First, I give honor to Jesus Christ, who is the head of my life. I dedicate this book to Him, for having given me the Revelation, Wisdom and Knowledge as well as the Inspiration to be a first partaker of His INNER HEALING MINISTRY. I thank Him for His leading and guiding me to write this book. I also dedicate this book to my beloved husband, Elder Frank H. McGee, who has been a tremendous blessing to me in many, many ways. Frank, I love you.

The greatest of dedications is to my wonderful, loving and understanding Mother, Cora Perkins, whose great wisdom taught me so many wise ways of doing things. Her everlasting words and parables of life are still a great part of my Character. I thank her for being the "Firm" hand of fashioning me to be the Sister of love to my sister and brothers, and a great wife and mother. I love you Mom, even though you're not here to share this great moment of triumph with me. Your loving spirit of patience, love, trust, forgiveness and giving of yourself yet lives on in me. Thank you.

To all of my Sisters and Brothers: Pastor Clementine (June) Bean, Mary Perkins, Beatrice (Emanuel) Johnson, who played a very Intricate part in my life; who bore the burdens of seeing me through the great teachings of my Mom. She is surely a "Mom" to me!), Louise (Leonard), Lucille, Clarence, Monroe, Louis Jr. (Mary) and Jackie, my wonderful brother (and my great sister-in-law Johnnie!).

To my beloved children, Rhonda (Rickey), Sheila, Ricky (Libby), Christopher (Debra), Elijah(Kendle), Steven, Kevin, Reginald (Diane), Cathy (Quint), and Carlos and to all of the wonderful grandchildren, great and great-great grandchildren that you have blessed me with, I leave this book to you as a legacy; that as you walk in the reality of serving the True and the Living God, you will always have the ability to "Fly with Wings as Eagles."

A special thanks to The Way of Holiness Church #1 in Columbus, Ohio, where I Pastor; God gave me to you as a gift to the Body of Christ, that through His leading, as I train you, you are to go into the world and be a sign of His Word. May the INNER

HEALING MINISTRY carry you to the utmost heights of deliverance and healing.

I want to thank Pastor Malcom Briley and my sister, Pastor Clementine Bean, who stepped out from "under my wings" in the Ministry to further this Vision. Use this book as a device to convict and convince men, women and children that they too, can grow in grace and knowledge of our Lord and Savior Jesus Christ.

A very special thanks to Mother Pearl Washington and my daughter Elder Rhonda Scott for being obedient to the leadership of Christ by bringing forth the confirmation of the INNER HEALING MINISTRY.

A special thanks to my editors, Minister Angela Griffin, Evangelist Annette Richardson and Minister Debra Willis (my daughter-in-law) for the finished product of this book. I want to give a very High Praise to Minister Karen Carter, who struggled so hard to see that this very book was completed. Thank You Karen. I know God used you as a great "tool" from Him, with your great determination, hours of sacrificing getting this book edited and

typed by your very hands. Surely you have the hands of "The Great Carpenter," our Lord and Savior Jesus Christ.

To all that read and study this book, meditate in it to get the "meat" of all that God is saying to you. Don't be afraid to challenge the things that you read: God is not intimidated with any questions you may have. He will confirm every word that is written herein and prove that His Word will not go out void, but will accomplish the Inner Healing of Mankind's needs to be "translated" into the Kingdom of His Dear Son.

## **Part I**

### **THE FOUNDATION OF THE INNER HEALING MINISTRY**

I began Pasturing a very small flock of unique people of whom I felt I was having difficulties in reaching, concerning being steadfast in their ministry. I found that these people were very sincere in their walk with Christ, but not yet able to manifest the result of their desire to live for Christ. I was very concerned, for I have always had a "special" love and care for God's creation, Mankind (not that the feelings were likewise for me). I loved preaching, teaching, and living as a role model for God's people. I didn't find this as being grievous or unbearable, as some seem to think. I thought it was fair for me to represent God as God, and not myself. So, being that I have very strong convictions pertaining to my walk with Christ, it became natural for my concern of mankind.

I have ministered across God's country for many years, yet to find the same problems, regardless of color or denomination. I have been involved with all types of people, as far
