Have you ever wondered what your dog does when you leave for the day?

Bessie is a good dog but her family thinks she is lazy because when they come home she's always sleeping.

Her family has no idea that if she runs fast enough she can fly! She likes to help other animals.

When the family leaves for the day Bessie flies over the fence! She goes to Bentley the squirrel's house and he tells her who needs help.

"Hello Bessie I'm glad you came! Logan the racoon is stuck in a tree and Miah the duck has lost one of her babies!

Bentley climbs on her back and away they go!

They find Logan way up in a tree. Bentley gets down and Bessie runs as fast as she can, she flies up to Logan and he jumps on her back. They glide down to the ground safely. Logan says "thanks Bessie you saved the day!"

Bessie finds Miah by the pond. She has 5 babies with her, but she can't find 1, she's very upset! Bessie flies over the pond and sees the baby stuck in the lilly pads. Bessie goes to the ground, jumps in the water, swims to the baby and puts him on her back and takes him to Miah. Miah is so happy she says "thanks Bessie you saved the day!"

Miah, Logan, Bentley, and Bessie have a picnic by the pond. Then Bessie has to hurry home before her family gets there!
